The following applies to the MDA Summer League after the preliminary games.

A total of eight teams advance to the Knock Out phase.

The First Two Teams from each group advance to the quarter final automatically, while the third team of each group has to play a round robin so another two teams will qualify for the next round.

In the event that teams end in a tie in points, it will be decided who will advance to the quarter finals in the following order:

Depending on who has won the most points in direct confrontations between the teams concerned.

Depending on who won the most legs in the direct confrontations between the teams concerned.

Depending on who won the most legs in the final group standings.

Depending on who won the most games in the group's final standings.

After the teams are established, Knock Out is played as follows:

Play-off games, will be played between August 30th and September 3rd on Monday, Wednesday and Friday, These games will be played at Laċċi Hall.

Thanks and regards
